# I Can Do My Part

Lyrics (1)

I've got things
that I can do!

Little jobs
I'm responsible for too!

I can help,
I can start,
I can do my part!

Max was building on the floor,
Blocks and cars
and so much more.

Then it was time
to go outside...

He almost left
the mess behind.

But Max stopped
and looked around:

"These are the toys
that I took out."

Block by block
and car by car,

He put them back
where they belong.

"All cleaned up!
Now I can go!"

Taking care
helps everyone!

If I use it,
I put it away.

If I have a job,
I do it today.

I don't need
someone to start...

I can remember
to do my part!

I can do my part!
I can do my part!

Little responsibilities
make a great big start!

# I Can Do My Part

**Lyrics (2)**

I can help!
I can care!
I can put things
where they belong!

Do my job!
Keep my word!
Try to make
a wrong thing right!

Step by step,
from the very start...

I can do my part!

Mia packed her school bag
for the day.

Book goes in,
lunch put away.

She checked her things
before she left:

"Do I have
everything I need?"

Later in the classroom,
paint was everywhere.

Rosie said,
"We all used it,
so let's all help!"

Brushes washed,
paper stacked,

Paint pots
put neatly back.

Everyone helped
a little bit...

And soon the room
was clean again!

If I use it,
I put it away.

If I have a job,
I do it today.

I don't need
someone to start...

I can remember
to do my part!

I can do my part!
I can do my part!

Little responsibilities
make a great big start!

I can help!
I can care!
I can put things
where they belong!

Do my job!
Keep my word!
Try to make
a wrong thing right!

Step by step,
from the very start...

I can do my part!

**Lyrics (3)**

Jay was carrying cups outside,
Then one tipped
onto its side.

Splash!

Water spilled
across the floor.

Jay looked down:

"Oh no!"

He could walk away
and leave it there...

But Jay knew
that wouldn't be fair.

"I spilled it,
so I'll clean it up."

He found a towel
and wiped it up.

Mistakes can happen,
that's okay.

Responsibility means
I help make things right again!

Used your toys?

PUT THEM AWAY!

Got a little job?

DO IT TODAY!

Made a promise?

TRY TO REMEMBER!

Made a mess?

HELP CLEAN IT UP!

Made a mistake?

MAKE IT RIGHT!

Working together?

DO YOUR PART!

Who can be responsible?

I CAN!

Being responsible
doesn't mean
I never forget.

It doesn't mean
I never make mistakes.

It means...

I try to remember.

I take care
of what is mine.

I help with
what is ours.

And when I make a mistake...

I do what I can
to make it right.

I can do my part!
I can do my part!

Little responsibilities
make a great big start!

**Lyrics (4)**

Pack my things!
Clean my space!
Put my toys
back in their place!

Help my team!
Keep my word!
Take good care
of what I use!

If I make
a little mistake...

I can help
to make it right!

Step by step,
with a caring heart...

I can do...
I can do...

I CAN DO MY PART!

One little job...

One little start...

I can help
every day...

I can do my part!
