Let's Talk It Out

Lyrics (1)

Uh-oh...

We both want
the very same thing!

What do we do?

Shout?

Grab?

No!

Stop...
Listen...
Talk...

Let's work it out!

Max and Jay both saw the truck,
Both reached out and said,
"That's mine!"

Max said,
"I was playing first!"

Jay said,
"But I want a turn!"

Their voices started getting loud,
Both looked angry,
both felt proud.

Then Mia said,
"Let's stop a bit.

Tell each other
what you need."

First I speak,
then I listen.

You can talk,
I'll pay attention.

We can both
say how we feel.

Then together
find a deal!

Let's talk it out!
Let's work it through!

I can listen
to you too!

Say what happened!
Say what you need!

Let's Talk It Out

Lyrics (2)

Find a way
where we both can agree!

Stop!
Listen!
Talk!
Find a way!

We don't have to
shout today!

Different wants
can still work out...

Let's talk it out!

Max said,
"I was using it
to build my road."

Jay said,
"I wanted the truck
to carry my blocks."

They both stopped
and thought a while.

Then Jay said,
"How about this?

You use it first
for two more turns...

Then I can use it after?"

Max smiled:
"That sounds fair!"

And just like that,
they had a plan.

No grabbing.
No yelling.

They solved it
with their words!

First I speak,
then I listen.

You can talk,
I'll pay attention.

We can both
say how we feel.

Then together
find a deal!

Let's talk it out!
Let's work it through!

I can listen
to you too!

Say what happened!
Say what you need!

Find a way
where we both can agree!

Stop!
Listen!
Talk!
Find a way!

We don't have to
shout today!

Different wants
can still work out...

Let's talk it out!

Let's Talk It Out

Lyrics (3)

Later Rosie and Lily
wanted different games.

"I want tag!"
"I want to draw!"

For a moment,
both said,
"No!"

Then Rosie asked:
"What could we do
so both of us have fun?"

Lily thought
and had an idea:

"Let's draw first,
then play tag outside!"

Rosie smiled:
"Okay with me!"

Two different ideas...

One good plan!

We disagree?

STOP!

Who talks first?

YOU CAN TALK!

What do I do?

I LISTEN!

Then what?

I SAY MY SIDE!

Can we think of choices?

YES!

Can we take turns?

YES!

Can we find another way?

YES!

What do we do?

TALK IT OUT!

A disagreement
doesn't mean
we can't be friends.

It means
we want different things
right now.

I can tell you
what I need.

You can tell me
what you need.

We can listen.

We can think.

And sometimes...

we can find a brand-new idea
that works for both of us!

Let's talk it out!
Let's work it through!

I can listen
to you too!

Say what happened!
Say what you need!

Think of choices
we can both agree!

Take a turn!
Make a plan!
Ask for help
if we can't!

Stop!
Listen!
Talk!
Find a way!

We can solve
a disagreement today!

Different ideas?
That's okay!

We can still
find a way!

Let's talk it out!
Let's talk it out!

We can work it out!

You tell me your side.

I'll tell you mine.

We'll listen...

think...

and find a way.

Let's talk it out!
