# I Can Feel What You Feel

Lyrics (1)

Hey, hey!
Look around!
Someone might need a friend today!

Can you see?
Can you hear?
Can you feel?

Let's find out together!

I see my friend sitting alone,
Looking down, feeling low,
I don't know exactly why,
But I can stop and ask them, "Hi!"

"Are you okay?"
"Do you want to talk?"
"I can listen,
We can take a walk."

I may not know just how you feel,
But I can listen,
I can care,
I can help make things feel real.

I don't have to fix it,
I don't have to know,
I can simply be beside you,
And let you know:

I can feel what you feel,
I can listen, I can care,
I can see when someone needs me,
I can always be there!

I can feel what you feel,
Even if we're not the same,
Different hearts and different stories,
But kindness speaks the same!

See it!
Hear it!
Care and share!

I can feel what you feel!

If my friend is feeling happy,
I can smile and celebrate,
If my friend is feeling nervous,
I can tell them, "It's okay."

If they're angry, I can listen,
If they're sad, I can stay,
Sometimes having someone with you
Makes a better day.

**Lyrics (2)**

I don't have to say,
"I know exactly how you feel,"
I can say,
"Tell me about it,"
And show them that I care.

I don't have to fix it,
I don't have to know,
I can simply be beside you,
And let you know:

I can feel what you feel,
I can listen, I can care,
I can see when someone needs me,
I can always be there!

I can feel what you feel,
Even if we're not the same,
Different hearts and different stories,
But kindness speaks the same!

See it!
Hear it!
Care and share!

I can feel what you feel!

If you smile...

I smile with you!

If you cry...

I'll stay with you!

If you're worried...

I'll listen too!

If you're lonely...

I'll sit with you!

We may be different,
We may not think the same,
But every heart has feelings,
And every heart deserves a name!

Look with your eyes!
Listen with your ears!
Open up your heart!
And show that you care!

Look!
Listen!
Understand!

Help when you can!

I can feel what you feel,
I can listen, I can care,
I can see when someone needs me,
I can always be there!

I can feel what you feel,
Even if we're not the same,
Different hearts and different stories,
But kindness speaks the same!

Look!
Listen!
Care!

We're all connected everywhere!

I can feel what you feel!
I can care!
I can share!

Look...
Listen...
Care...
